*ANNOUNCEMENT Re. Father Valdazo*

For the last two weeks, Fr. Valdazo has been receiving excellent care from the doctors and nurses of NYU Langone Hospital, and NYU Langone Orthopedic Hospital, both in Manhattan.

As of this past Friday, October 25<sup>th</sup>, Father has been transferred to the Ozanam Hall Nursing and Rehabilitation Facility, located in Bayside, NY (here in Queens). He is adjusting to his new surroundings.

Ozanam is a Catholic Residence, under the supervision and care of the Carmelite Sisters. There is a chapel on the first floor, where Mass is offered every day.

Ozanam welcomes visitors, and you are welcome to visit Fr. Valdazo during visiting hours (groups of 2-4 would be recommended). Ozanam is located at 42-41 201<sup>st</sup> Street, Bayside, NY, one block north of Northern Blvd. Tel. 718-423-2000.

If you want to send cards to Fr. Valdazo, you can mail them or drop them off at the rectory. I will see that he gets them.
